

* CALENDAR OF EVENTS 2016 *

<i>Starting Date</i>	<i>Course Title</i>	<i>Duration</i>	<i>Entry Qualifications</i>
,07/02/2016	Short range forecast	2weeks	Weather Forecaster
07/02/2016	Meteorology for air traffic controllers and pilot	12 weeks	Secondary School Certification(Science or math)
07/02/2016	Aeronautical meteorological forecaster AMF	12weeks	,Meteorologist and forecaster
07/02/2016	Upper air technician,	6 weeks	meteorological technician
1/03/2016	Decision Support Systems for Integrated Watershed Management	4 day	Suitable University Degree
06/03/2016	Introduction in NWP	3weeks	Meteorologist and /or meteorological technician
13/3/2016	Climatology and Watersheds,	1week	Suitable University Degree
20/03/2016	AWOS	3 weeks	meteorological technician
27/03//2016	Synoptic met, technician,	6 weeks	meteorological technician
,03/04/2016	METEOROLOGICAL DATA MANAGEMENT FOR AGRICULTURAL	2weeks	Meteorologist and agromet,
10/04/2016	Maintain and calibration of instruments	2 weeks	meteorological technician
2016	Meteorological instrument and calibration	, distance learning	meteorological technician
2016	Active trainer , 24/04/2016 ,RTC Cairo Egypt	distance learning	Meteorological trainers
26/04/2016	WORKSHOP OF CLIMATE CHANGE	3 day	Meteorologist & Researcher
08/05/2016	Climate data processing	2 weeks	Meteorologist
12/05/2016	Water Resources and Hydrological Modeling System	1 week	Suitable University Degree
19/05/2016	Watershed Management	1 week	Suitable University

	modeling systems,		Degree
<i>Starting Date</i>	<i>Course Title</i>	<i>Duration</i>	<i>Entry Qualifications</i>
26/05/2016	Design of Detention Dams	1 week	Suitable University Degree
07/06/2016	Introduction to Water Resources Engineering,	3 day	Suitable University Degree
03/07/2016	Morphological Analysis of Watershed Catchments	1 week	Suitable University Degree
03/07/2016	Met, technician(j-level)	26weeks	,meteorological technician
10/07/2016	Design of Hydraulic Control Structures in Watersheds and Crossing Works and Flash Floods Control Structures	1 week	Suitable University Degree
17/07/2016	Storm water Management system Design,	1 week	Suitable University Degree
24/07/2016	Ecology of Watersheds	1 week	Suitable University Degree
24/07/2016	AWOS	3 weeks	meteorological technician
07/08/2016	Maintain and calibration of instruments	2 weeks	meteorological technician
14/8/2016	Climatology and Watersheds,	1week	Suitable University Degree
14/08/2016	Introduction in NWP	3weeks	Meteorologist and /or meteorological technician
21/08/2016	Upper air technician,	6 weeks	meteorological technician
22/08/2016	Aeronautical meteorological forecaster AMF	12weeks	,Meteorologist and forecaster
31/08/2016	Decision Support Systems for Integrated Watershed Management	4 day	Suitable University Degree
04/09/2016	Meteorology for air traffic controllers and pilot	12 weeks	Secondary School Certification(Science or math)
18/09//2016	Marine technician	2weeks	meteorological technician
09/10/2016	Satellite image interpretation	2 weeks	,Meteorologist
09/10/2016	Quality management system in met	2weeks	Suitable degree, Meteorologist and /or meteorological technician

<i>Starting Date</i>	<i>Course Title</i>	<i>Duration</i>	<i>Entry Qualifications</i>
09/10/2016	Advanced communication systems	2weeks	meteorological technician
09/10/2016	Agro meteorologist	12weeks	B.Sc. In physics and /or mathematics
06/11/2016	Meteorologist	40weeks	B.Sc. In physics and /or mathematics
06/11/2016	Numerical weather prediction	,8 weeks	Meteorologist
06/11/2016	Climate change of agriculture	2 weeks	Agro meteorologist and climatology research
6/11/2016	Digital communication	2weeks	meteorological technician
25/12/2016	Met, technician(m- level)	6weeks	meteorological technician
